

COMPANY ANNOUNCEMENT

Appointment of Non Executive Director

The Board of International Energy Services Pty Ltd (“IES”) is pleased to announce the appointment of Bob Welsh to the IES Board as a non-executive director. Bob brings with him an extensive breadth of international experience in the oil industry having spent 22 years with BP. During this time Bob worked in a wide range of business streams including coal, gas, solar, treasury, oil marketing and logistics across Australia, the South-West Pacific and Northern Europe. A qualified CPA, Bob is married with two boys.

Bob’s input is especially welcome at this time, as we continue to expand the business of Cootes and Liquip both in Australia and offshore.
